Texas Tech University Health Sciences Center

School of Allied Health Last Modified:

Physician Assistant Program - Midland, TX October 2011

A minimum 3.2 grade point average (GPA) on a 4.0 scale is required on the overall prerequisite GPA and on the science prerequisite GPA. All science prerequisites are recommended to be completed within seven (7) years of the application date. A finished degree, professional studies, health care certification, licensure or work experience, health care shadowing, and community service are not required, but highly recommended. AP and CLEP credit will not be accepted for any science or social science prerequisite courses. Additionally, online science courses will not be accepted. There is no advanced placement, transfer of credit or experiential learning credit within the TTUHSC PA Program. The GRE or other entrance examinations are not required

Applicants must have 66 semester hours of prerequisites to be considered for admission into the TTUHSC PA Program. Applications with more than nine hours of required prerequisite courses in progress will not be reviewed. Course load for each applicant will be reviewed on an individual basis.

Applicants are required to own or have access to a laptop computer. Laptops are suggested to have a minimum of 1 GB Shared DDR2 SDRAM, 60 GB hard drive and have wireless capabilities

The program will accept 60 students for 2012.
