Courses of "D" are unlikely to transfer to this major. Students are encouraged to take no more than 66 hours of coursework for transfer.

Transfer Check Sheets are intended as an advising tool and starting point for transfer research. Other options such as substitutions or specializations are not listed. We highly recommend working with an advisor (contact information listed above) and using the research resources available to you to fill the gaps and double check the information provided. Degree requirements are subject to change at any time.
