Other options are available such as Second Degree Nursing. See TTUSON website for full details and application procedures. Students need to plan to begin the application process, testing etc approx 9-10 months prior to the beginning of the planned term of enrollment. Students with criminal background issues or who need immunizations may need more than 12 months.

Transfer Check Sheets are intended as an advising tool and starting point for transfer research. Other options such as substitutions or specializations are not listed. We highly recommend working with an advisor (contact information listed above) and using the research resources available to you to fill the gaps and double check the information provided. Degree requirements are subject to change at any time.

Notes:
